

Strengthen for Service

Manage and maintain your music

An ideal course if you're in the early years of your ministry, or still training.

Led by the RSCM's Head of Ministerial Training, Revd Helen Bent, **Strengthen for Service** provides practical information on how to manage your parish music. The course is designed for Anglican clergy (especially those at the early stages of their ministry), Readers and Lay Leaders.

This hands-on course will...

- Give you practical advice on choosing suitable music and materials for your worship
- Help you establish good working practices to continue to plan and manage your music
- Provide you with significant biblical and historical insight to further support your learning.

There will be "clinic" style sessions, study options and worship in a wide variety of different styles.

Places are limited so we are expecting courses to sell out quickly! We also offer Strengthen for Service Lite - a one day version of the course.

Visit the website for more information.

"...I came away with a greater knowledge of church music and a better understanding of how the way we select music can drastically affect the outcome or feel of worship."

Elaine Wykes, September 2015 course participant
